

New Guinea ~
1-10-45

Dear Father
& Sis:

Time again for me to drop you a few more lines, to at least say hello, and thank you for the packages you are sending, as they are really OK, and they arrived in such nice fresh condition. 4 more today and should have some more tomorrow, and still no bracelet, hope it arrives soon as I am looking forward to it so much, I have almost anything a person could ask for in the line of cosmetics or underwear, sub-books, everything is just fine, got my cigarette lighter something I really did need, and everything else was greatly appreciated by all, ob the way, they all send their best wishes and thanks.

Hope this finds Larry Ray still with you, as I know you really must get a big kick out of him, and as for company he would really be hard to replace, only wish I could see him before he grows up, and I hope it isn't too long from now.

I was wondering whether or not you have
ever heard from any of the boys who used to be
here with me, but have gone back to the States,
I gave all of them my address, so they could
write to you, but maybe they aren't allowed
to do so, told them all to stop & see you if
possible but I doubt whether they would go
anyplace but home after 36 months of New Guinea,
at least I wouldn't so I don't blame them
for that. Did you get Bob's letter, you sent
to me and I sent them back as I know you
want them. You asked for some coconuts, if I can
just find time to send them I will but I can't
promise when.

Well I guess I had better close for
now hoping to hear from you again soon.
Please give my regards to all and I will
be writing to them all also, so long for now.

Love
Kenney
