Dear folks,
& Sis:

Another day so I thought I would drop you a few more lines, to let you know that I am feeling just fine and getting along ok. hope this short note finds all of you the same.

I received another package today and everything arrived in very fine condition, it was mailed in Oct. but as yet I haven't seen a thing of the one that contains my bracelet. I really do hope it gets here soon, as I can hardly wait to get it on my wrist, and I do hope it gets here soon.

I hope that Norma is feeling ok, and isn't working too much yet. tell her to take it easy, and not ~~not~~ work too hard. because she might get sick again, and I don't want that to happen.

2

Is Larry Ray still with you, I do hope he is as I know you do get such great enjoyment and most of all company from him, I only hope Larry doesn't have to come over here, and he may not have too if we keep on pushing, let's hope it is all over soon.

Well I suppose Bob has been telling you all about his trip and how he likes it so far away from home and I do hope he is getting along OK with his men, I know he will be OK so that makes two of us so please don't worry. Well I will ~~say~~ again say so long for now, please give my regards to ad.
