

March 13-45

Dear Folk's
+ Sis :

Have time again to say
a few more lines, and let
you know that I am feeling
just fine and getting along ok,
hoping this finds all of you
the same, and the rest of the
family-

Had a day off today
the first for quite sometime,
things are getting rather
dread around here now and I
am still trying my best to
get shipped North but it
looks as though I am
going to be stuck here for
the duration which I hope
isn't too far away, and the
sooner ~~the~~ I get home the better

I hope you have been hearing from Bob regularly as I know how you must worry about him but please don't worry so much, and don't always think of the worst things that the Army has to offer, try to think of something else that we might have, such as food, entertainment, sleeping quarters our jobs and such things as these, and I know we both will feel a lot better, to know you are not worrying about us so much - and I am sure we will both come back home again and not too long from now, so long for now - Goodnight
