I will do my best to see that these - japs (rats) pay to the fullest extent for boys like shorts. I have seen some of their work and believe me when I say they are not human I mean it - but they won't give us a chance to prove that to me so don't worry.

I reamed the other pair of horse shoes today - and we had a hot game. I am a little rusty but will get plenty of practice so I can win that game that Dad wants to play when I get home - so he had better get some practice himself - as I hope we will be home before too long. I planted the seeds and they sprouted in 2 days they are about 1" tall already - well I will say so long for now - Love
