Still New Guieno

Dear Tom
& Dad:

Well here I am still waiting to get on the road, & don't have any idea as to when it will be, but hope that I will soon be leaving, I am getting over and over just sitting around, expecting at any moment to hear from you - OK, let's go,

I gave you my new address in one of my last letters and I am sorry to inform you that it was incorrect and I still have to use A.P.O. 565 - Hq Co. Base Co.

The only reason I can think of for changing it again is that the place we were going hasn't been taken yet or the address has been fixed up anyhow I cannot have my mail sent to A.P.O. 718 as it hasn't been

officially published by the Census.

Tom & Dad from B.C. for sometime but have been doing my best to follow the 5th Army - it would very good today

and by the time this reaches you I do hope and will pray that it is over, so keep your fingers crossed as the great day isn't very far in the future.

Haven't had a letter from Norma since the 6th of April and I do hope that she is not ill, however I don't blame her for not writing to me as I just don't ever answer her letters, but I really do enjoy hearing from her and anyone - I read all my letters three times and then some then, and when I don't get a letter I just read my old ones over again and hope that tomorrow will find mail waiting for me.

Haven't had a packing for fruit sometime the last being the Horse show.

Well I guess I had better bring this to a close and get my laundry out, so long for now & keep on writing. Love
over.
