Dear Folks's:

Have a few minutes
so I will attempt to drop
you a few more lines.

Received Norman's letter
today dated the 26 of Sept.
and the first mail except for
the papers that are coming
through very well.

I do hope that you
will forgive me for not
writing as I promised
but believe it or
not I have really
been busy - as they
finally sent some of
our boys home and
I am now doing the
job of the men killed

of one, but really I
don't mind it a bit
as I was so happy
that some of the boys
finally got to go home.

I would gladly
take on 3 more jobs if
they would send them
shore boys home. but
all I ask is that they
send me home soon
and as far as I know
now there still isn't
anything out or yet that
takes care of me. so I
can't say as to when I
expect to get a chance to
go.

In Norma's letter she
mentioned that you would
like to have me come to

take care of Bob,
and you know that
there is nothing else that
I would rather do
than just that; so if
you can do anything
through the H.R.C. it
will be 100 \$0 or
with me; however I
don't have any way to do
anything from this end
as they wouldn't even
listen to me, they would
just tell me they were
sorry, but we can't
help you any; so what
ever you can do; go to
it.

Well I must close for
now & will write tomorrow, so
long for now. Love
