Dear Lolkis:

Have a few minutes so  
will attempt to drop you a  
few more short lines to  
let you know that I am  
feeling just fine and getting  
along ok. hope this finds  
all of you the same.

Still no news about what  
and when I will be eligible  
to go home and I doubt  
if it will be very soon  
as they are very slow in  
sending these men home  
who have been eligible  
for quite sometime, but  
surely something should  
happen before too long, at  
least I hope so.

It is really too bad that they don't have enough ships to get the troops home, the way I feel they got us over here and now they can't send us home, and all the talk about making Liberty ships into troop carriers is a big joke at least up until now as they don't have any Liberty ships over here to be converted from cargo ships to troop ships however I have been on Liberty ships before and I wouldn't mind a bit going home on a Liberty, I would almost start back in a canoe.
