Dear Galkin's

Have a few minutes
before I go to work and
will try to drop you a few
lines, to let you know that
I am getting along o.k. and
feeling just fine, hope this
finds it of you the same.

Still there is very little
activity around here, as
this Base has been closed
for almost two weeks,
and I haven't heard
what they plan to do
with the personnel that
is left here, however
there are only 8,000 troops
left in Cebu, I only hope
that we can stay here, as
I am tired of moving from
one place to another, and
Manila is so crowded now

that you can hardly
walk down the streets, and
as far as going to Japan
it doesn't look as though
they will send us there.
So I won't know a thing
until, they tell us, but
will let you know the
minute orders come out,
which very likely won't
be very soon.

By the way those few
rifles that I was going to
send to you will have to
wait for a few days as
they won't except them for
mailing, but will let you
know the day that I send
them to you, I don't know
how soon it will be but
I know they will start sending
them before too long.

I was very glad to
hear that Larry was out. I

mist I will come home now
to see all of the boys that
have returned. also read in
the papers that Roy Beck was
home, when you see him
please give Roy my best
regards.

Haven't heard anything
about Bob, as yet and do
hope that I soon get his
address so I can drop him
a few lines, let me know
all you can about Bob as
I haven't heard any news
for quite sometime.

Well I must go to make
now so will say so long
and you can expect another
short note soon.

Love
Tom
