Dear Folks:

Don't have a thing to do today and am going to try to get caught up on my letter writing, so will try to write a few lines to let you know that I am ok, and everything is as well as can be expected over here.

Haven't heard from any of the family since the 2nd, but I know that all of you are so busy with your worries with Bob; and I do hope that he is getting along better by now. I do hope that I soon get his new address so I can write to him.

As I recall 2 years ago
I was in Texas and mom
was also there and we were
waiting for my furlough, so
I could go home for Thanksgiving
I don't think I will ever
forget how happy I was
to be going home, and
having mom there to be
going home with I only
wish I were getting ready
now to go home so I
could be there for Xmas
but I know that I will
not be able to make it
this year, and there is
no need of my telling
you how much I hate
to spend another Xmas

away from the family
and all of the people at
home, but I can say I
am thankful for a lot of
things and I know you
would understand if I
told you. The most
important thing in my whole
life will be when I am
again home with all of
the family, and as things
look to me now I can
make my own guess as to
when I will be home and
it looks to me now as
though I won't be home
until April. 46, if it is
any sooner it will be
nothing less than a miracle.

that gets me there, still
we have in this Base men
with 80 pts and actually
they were suppose to be
home the last part of Sept
and the first of Oct the
the only reason they haven't
gone home is that there
is no available transportation
from here to the states, but
surely something will happen
soon so they will be
able to get on their way.

Well I will close for
now hoping to hear from
you soon please give my
regards to all.

Love,
Jimmy
